THE BEACON

Volume II

1958

Castle, Illinois

We dedicate this second volume of the Beacon to

VERY REV. HILARY S. JURICA, O.S.B.

The chairman of the Division of Sciences at St. Procopius College, Father Hilary was born in Czechoslovakia in 1892 and brought to the United States one year later. The son of a blacksmith, he was brought up in Cloverdale, Illinois and joined the Order of St. Benedict at St. Procopius Abbey on July 12, 1915. Ordained a priest in Chicago on March 22, 1921, Father completed his formal education by receiving his Ph.D. from the University of Chicago in 1922.

After receiving his doctorate, Father Hilary returned to St. Procopius College and organized the Biology Department. Later he went to DePaul University where he was head of the Botany Department from 1938 to 1945. Father is still teaching at DePaul on Saturday mornings and during the summer.

Father Hilary is the author of the Jurica Biology Series of charts which is used in teaching biology throughout the country. The oldest active member of the faculty of St. Procopius College, Father has had forty years of teaching experience.

A member of the Board of Seniors of the Abbey (College Board of Trustees), Father Hilary was made Sub-Prior of St. Procopius Abbey in 1950. Father is enrolled in many botanical and biological societies, and is listed in the American Catholic Who's Who.

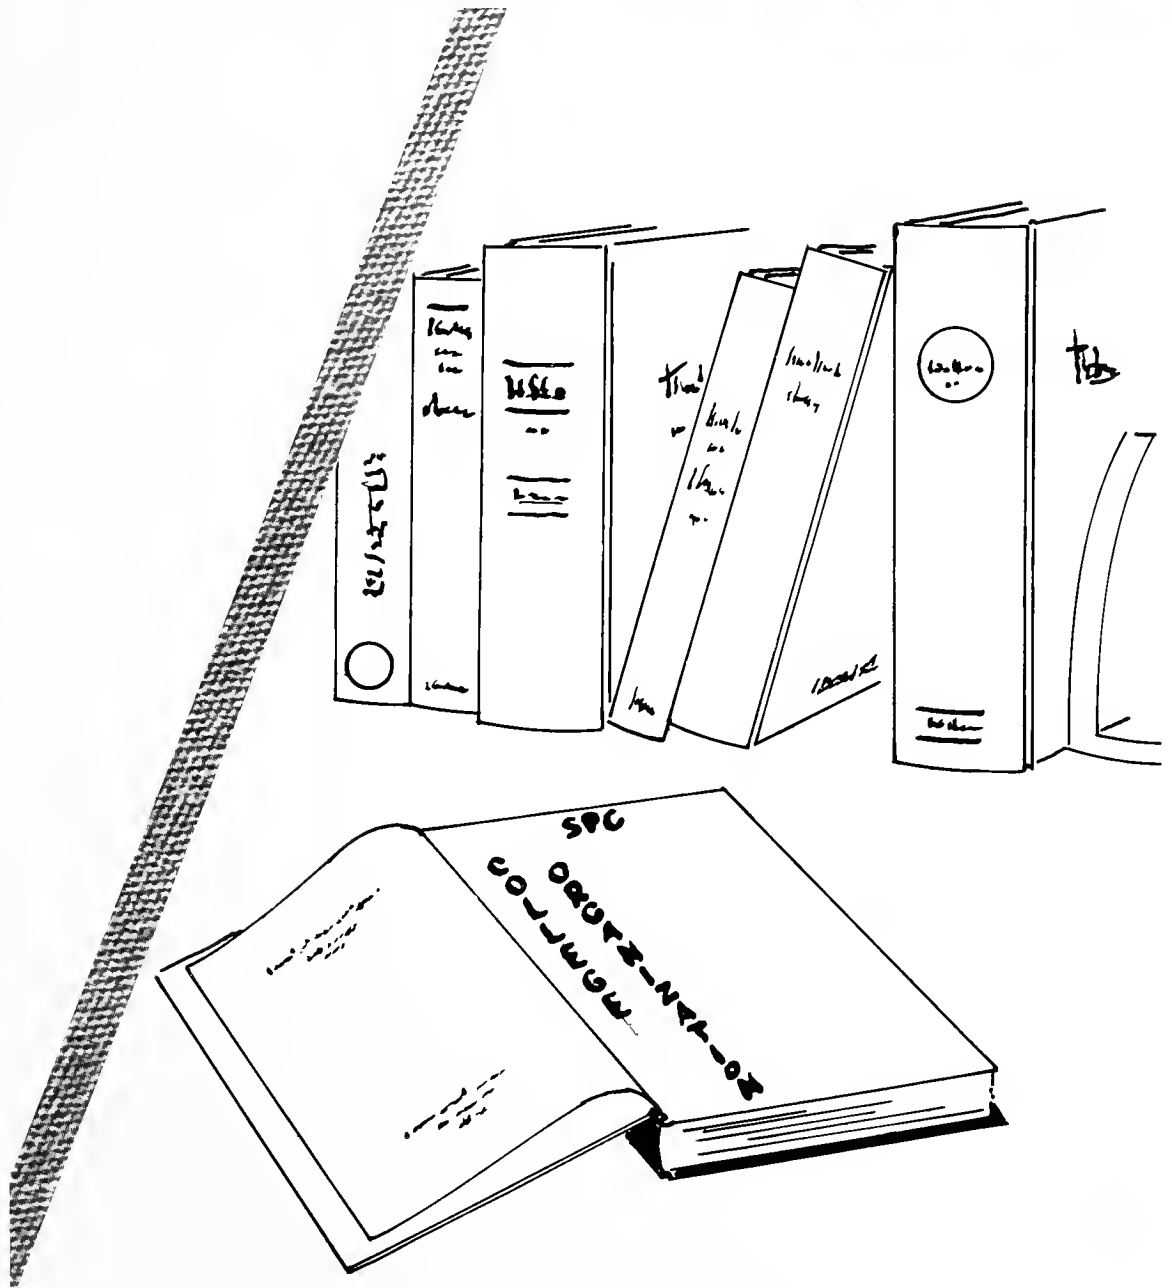

MOST REVEREND MARTIN D. McNAMARA, D.D.
Bishop of Joliet Diocese

RIGHT REVEREND AMBROSE L. ONDRAK, O.S.B.
Chancellor of Saint Procopius College

ADMINISTRATION

"Books are not men and yet they are alive,
They are man's memory and his aspiration,
The link between his present and his past,
The tools he builds with."

Stephen Vincent Benet

REVEREND ADOLPH E. HRDLICKA, O.S.B.
President of St. Procopius College

Father Adolph, in his two years as president of the college, has seen many improvements made. As the president he is responsible for the over-all administration of the college's services and activities, and he is the official representative of the college.

Through the combined efforts of the other members of the administration, Father has made the college eligible for North Central accreditation.

REV. FRANCIS X. CLOUGHERTY, O.S.B.
Vice President for Development and Public Relations

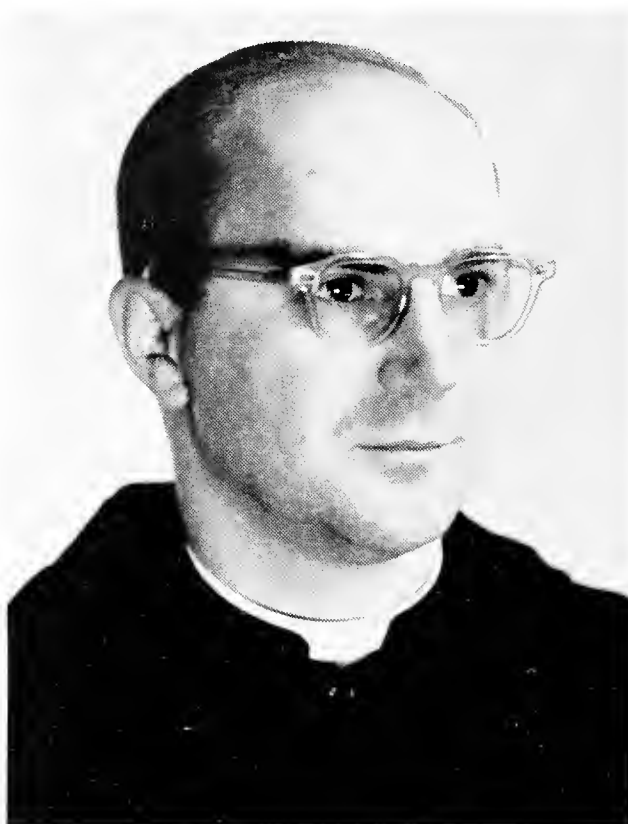

A new administrative office this year, the Vice President, Father Francis, is responsible for the fund raising aspect of the development program. Father Francis also sees that the public is informed of the activities of the college.

Father Jerome, the College Treasurer, is the man who stands behind the glass cage to collect student fees. Father also provides the students with banking facilities and is paymaster to all who hold campus jobs.

REV. JEROME DOBRY, O.S.B.
Treasurer

REV. DANIEL KUCERA, O. S. B.
Dean of Studies

One of the main purposes of the Dean of Studies is to guide the student in his studies by helping him in the selection of curricula and courses to meet graduation requirements. Also, he supervises the curriculum of each department and division with the respective heads. The duties of Father Daniel are many, and all are accomplished in his efficient and good-natured manner.

As Dean of Students, Father Valentine has the important duty of rounding out the students' life by fostering student interest and participation in co-curricular and extracurricular activities, and, in general, supervise the conduct of student affairs. His is a necessary job, and one that we can justly say is "well done."

REV. VALENTINE SKLUZACEK, O. S. B.
Dean of Students

Father Zachary, the Registrar, no doubt knows more about each individual student than any other administrative official or faculty member. He plans registration and class scheduling, maintains records on all students, and administers the admissions program.

Father Zachary registering a new student for the fall term.

Mrs. Sass, Mrs. Hanlon (seated) and Mrs. Miller, the administrative secretaries.

Father Vitus, the Librarian, is responsible for the over-all administration of the library and its services. He supervises and has the final decision in the selection and acquisition of new materials. Father, as librarian, is also the official reader on all theses and he grants approval for the style and form of such theses.

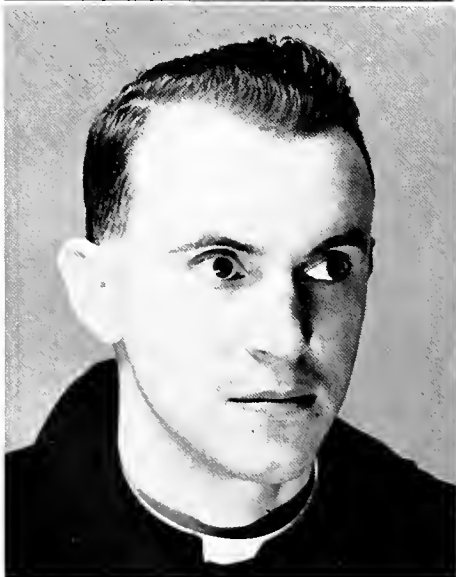

THE COLLEGE CHAPEL COUNCILORS

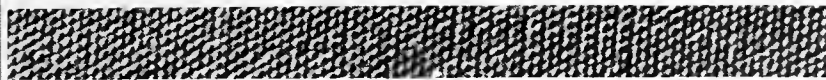

Father Clement - Chaplain. Father is responsible for the general spiritual welfare of the students and schedules all religious exercises involving the student body.

Father Brendan - Head Prefect.

As Head Prefect. Father is responsible for the maintenance of good order and he has the over-all supervision of Jaeger Hall.

Father Henry and Father Paschal are the assistant prefects.

The PROCOPIAN NEWS

This masthead, familiar to all Procopians, was first adopted by the P. N. in 1941 and has since appeared on all issues.

Father Michael and Editor O'Doherty checking the layout of the editorial page on the February issue.

The success of the P. N., now in its twenty-seventh year of publication, is due to the tireless efforts of the capable and experienced moderator, Father Michael Komechak, and editor, Tom O'Doherty.

Father Michael, who was feature editor in 1951 and editor-in-chief in 1952, returned to the staff as moderator in 1956. This year he is winding up a total of nine years on the P. N. staff.

Editor-in-chief this year, Tom O'Doherty, a sophomore science student from Lorain, Ohio, began his work on the P. N. as a reporter last year. By the end of his freshman year, Tom had earned the position of sports editor.

This year the P. N. became a member of both the Catholic Press Association and the Associated Collegiate Press.

WHO'S WHO — AMONG STUDENTS IN AMERICAN COLLEGES AND UNIVERSITIES

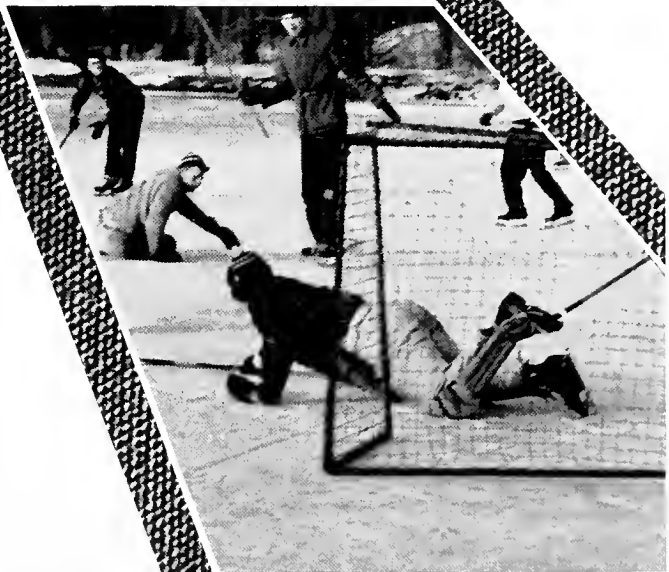

John Lukits, John Damm, Donald Dombrowski, and Charles Dick.

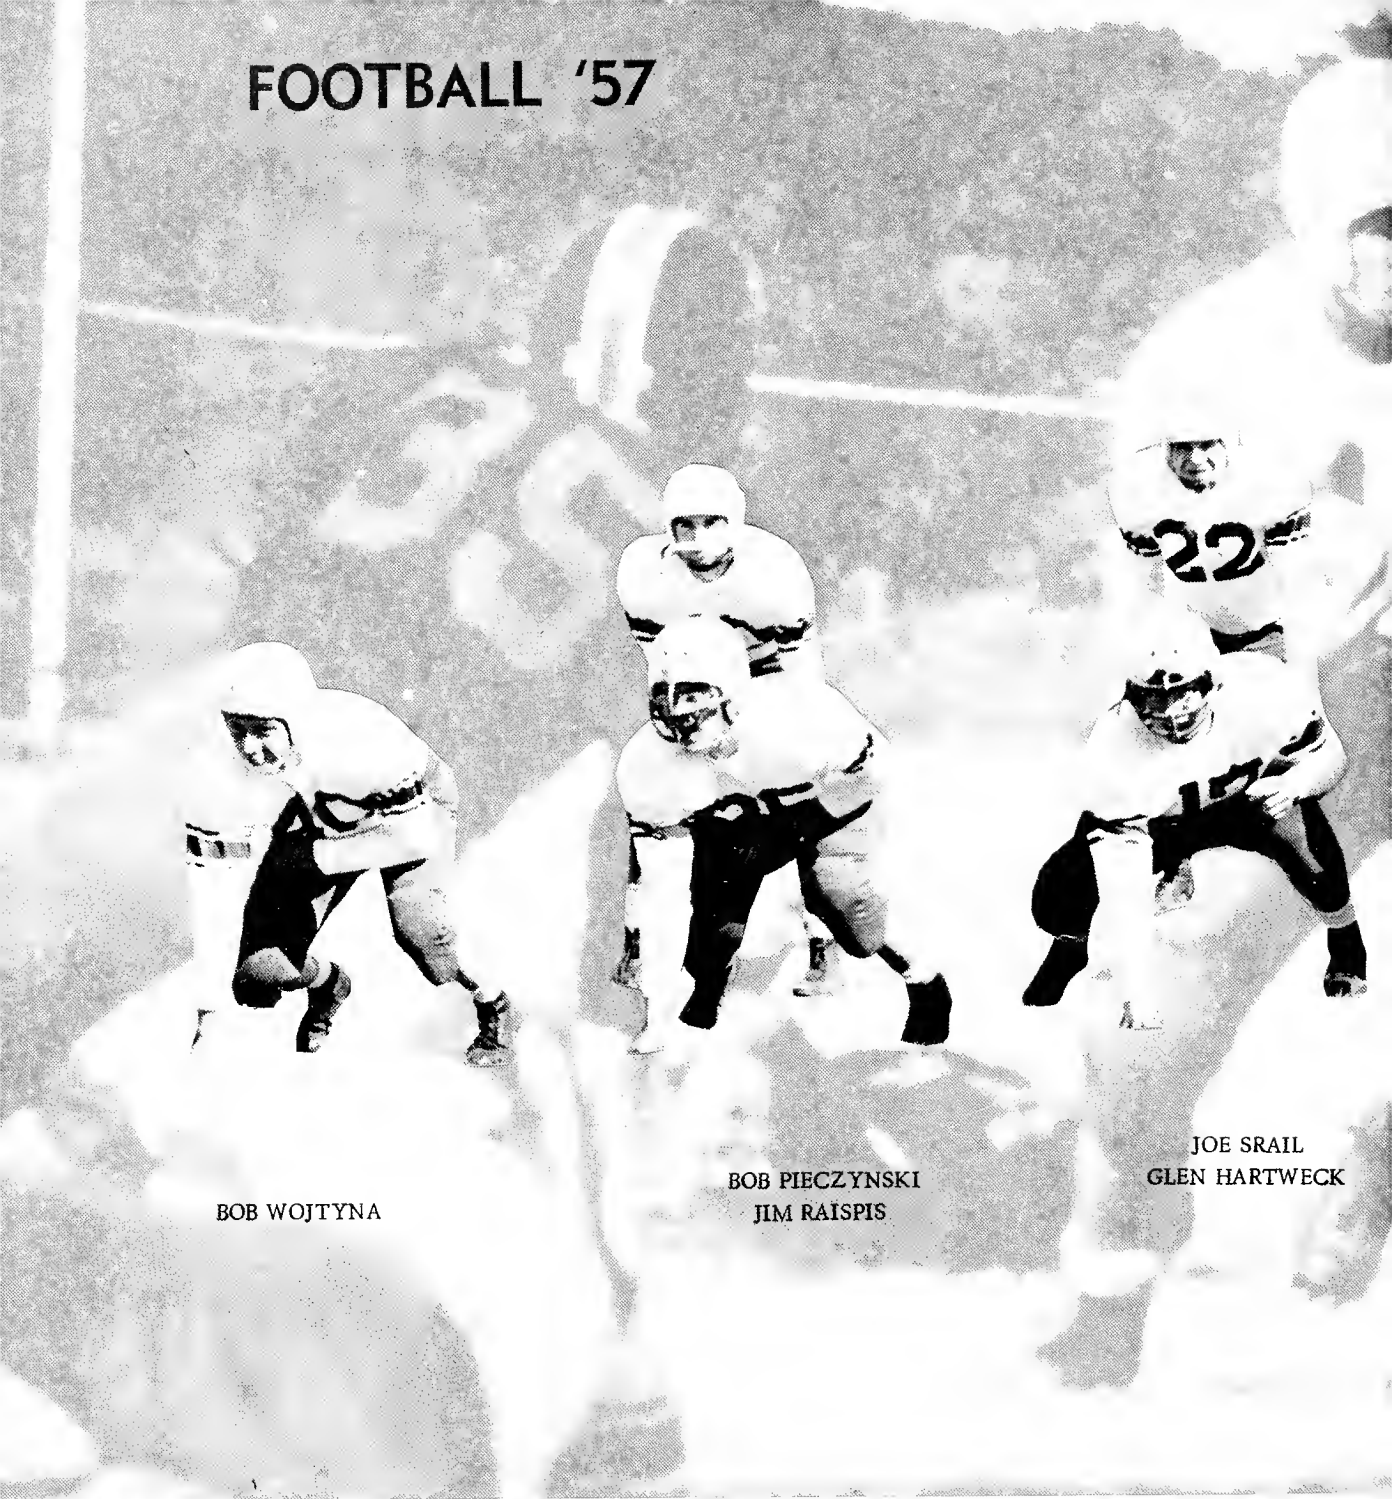

Who's Who is a national recognition given to the country's outstanding college students each year. This is the sixteenth year that St. Procopius has nominated members to fill its quota which is based on enrollment in comparison to other schools. Nomination is made by the faculty Who's Who committee on the basis of scholastic achievement, personality development, and participation in activities.

John Lukits is a junior premedical student. In his sophomore year he was Student Government secretary and assistant director for the Procopian Players. John Damm and Don Dombrowski are also junior premedical students, and both are active in athletics, Lettermen's Club, the Sciences Club, and Student Government. Chuck Dick is a senior physics major who has been active in athletics and Lettermen's Club.
